Kroger Specialty Pharmacy Acquisition

Our pharmacy benefit management partner, CarelonRx Inc., has acquired Kroger Specialty Pharmacy. This follows the recent acquisition of BioPlus Specialty Pharmacy, all aimed at enhancing support for individuals with chronic and complex conditions.

To ensure a seamless patient experience, most prescriptions for former Kroger Specialty Pharmacy patients are being handled by BioPlus Specialty Pharmacy, a CarelonRx company. If you have new specialty pharmacy prescriptions, please send them to BioPlus Specialty Pharmacy.

If you have any questions, please call your provider relationship management representative.

With your help, we can continually build towards a future of shared success.

CarelonRx, Inc. is an independent company providing pharmacy benefit management services on behalf of the health plan.
