# Avoidance of Antibiotic Treatment for Acute Bronchitis/Bronchiolitis (AAB) 2025

Healthcare Effectiveness Data Information Set® (HEDIS) is a widely used set of performance measures developed and maintained by NCQA. To help you better serve our members and drive improved efforts surrounding HEDIS, we have compiled some tips and best practices. With your help, we can continually build towards a future of shared success.

This HEDIS measure looks at the percentage of episodes for members ages 3 months and older with a diagnosis of acute bronchitis/bronchiolitis that did not result in an antibiotic dispensing event July 1 of the year prior to the measurement year to June 30 of the measurement year.

### **Exclusions:**

- Members who use hospice services or elect to use a hospice benefit anytime during the measurement year
- Members who die any time during the measurement year

Other Available Resources Go to cdc.gov/antibiotic-use

### **HCPCS**

**G0071**: Payment for communication technology-based services for 5 minutes or more of a virtual (non-face-to-face) communication between a rural health clinic (RHC) or federally qualified health center (FQHC) practitioner and RHC or FQHC patient, or 5 minutes or more of remote evaluation of recorded video and/or images by an RHC or FQHC practitioner, occurring in lieu of an office visit; RHC or FQHC only

**G0402**: Initial preventive physical examination; face-to-face visit, services limited to new beneficiary during the first 12 months of Medicare enrollment

**G0438**: Annual wellness visit; includes a personalized prevention plan of service (PPPS), initial visit

**G0439**: Annual wellness visit, includes a personalized prevention plan of service (PPPS), subsequent visit

**G0463**: Hospital outpatient clinic visit for assessment and management of a patient **G2010**: Remote evaluation of recorded video and/or images submitted by an established patient (e.g., store and forward), including interpretation with follow-up with the patient within 24 business hours, not originating from a related e/m service provided within the previous 7 days nor leading to an e/m service or procedure within the next 24 hours or soonest available appointment

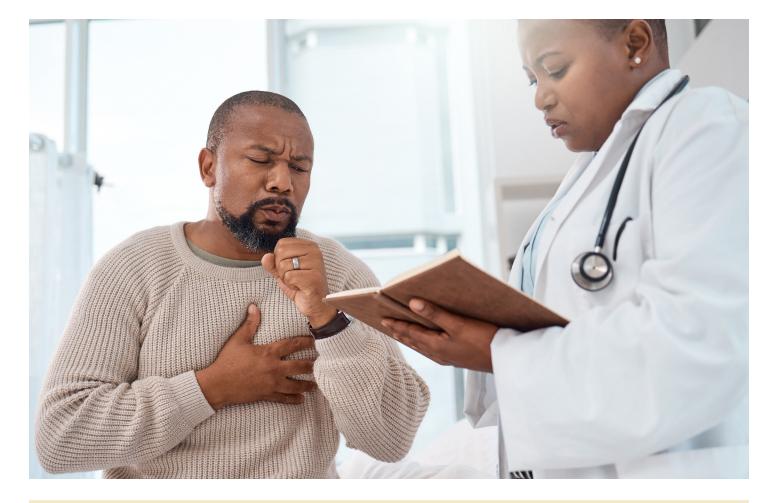

**G2012**: Brief communication technology-based service, e.g. virtual check-in, by a physician or other qualified health care professional who can report evaluation and management services, provided to an established patient, not originating from a related e/m service provided within the previous 7 days nor leading to an e/m service or procedure within the next 24 hours or soonest available appointment; 5-10 minutes of medical discussion

**G2250**: Remote assessment of recorded video and/or images submitted by an established patient (e.g., store and forward), including interpretation with follow-up with the patient within 24 business hours, not originating from a related service provided within the previous 7 days nor leading to a service or procedure within the next 24 hours or soonest available appointment

**G2251:** Brief communication technology-based service, e.g. virtual check-in, by a qualified health care professional who cannot report evaluation and management services, provided to an established patient, not originating from a related service provided within the previous 7 days nor leading to a service or procedure within the next 24 hours or soonest available appointment; 5-10 minutes of clinical discussion

**G2252**: Brief communication technology-based service, e.g. virtual check-in, by a physician or other qualified health care professional who can report evaluation and management services, provided to an established patient, not originating from a related e/m service provided within the previous 7 days nor leading to an e/m service or procedure within the next 24 hours or soonest available appointment; 11-20 minutes of medical discussion

T1015: Clinic visit/encounter, all-inclusive

	ICD-10-CM
Pharyngitis	J02.0: Streptococcal pharyngitis J02.8: Acute pharyngitis due to other specified organisms J02.9: Acute pharyngitis, unspecified J03.00: Acute streptococcal tonsillitis, unspecified J03.01: Acute recurrent streptococcal tonsillitis J03.80: Acute tonsillitis due to other specified organisms J03.81: Acute recurrent tonsillitis due to other specified organisms J03.90: Acute tonsillitis, unspecified J03.91: Acute recurrent tonsillitis, unspecified

**Note:** The codes listed are informational only; this information does not guarantee reimbursement. If applicable, refer to your provider contact or health plan contact for reimbursement information. For a complete list of CPT codes, go to the American Medical Association website at **ama-assn.org**.

### Helpful Tip:

• If using an electronic medical record (EMR) system, consider electronic data sharing with your health plan to capture all coded elements. Contact your provider relationship management representative for additional details and questions.

Please visit My **Diverse Patients** for additional information about eLearning experiences on provider cultural competency and health equity.
