## Medicare Part B Preapproval Expands with New Drug Additions

Effective for dates of service on and after July 1, 2025, the specialty Medicare Part B drugs listed below will be included in our preapproval review process.

Federal and state law, as well as state contract language and CMS guidelines, including definitions and specific contract provisions/exclusions, take precedence over these preapproval rules and must be considered first when determining coverage. Please follow the new requirements to ensure your claims are accepted.
