# MEDICARE

## Attention: Blue Cross NC Medicare Members

### Get ready.

Blue Cross and Blue Shield of North Carolina (Blue Cross NC) is mailing new member ID cards to all of our Medicare members for use in 2024. Your new card will have different member ID numbers, and it will replace all other Blue Cross NC Medicare ID cards you may have.

### Get set.

Cards mail out in mid-December. Once you receive your card, you'll be set to use it in the new year. Keep using your old card for the rest of 2023.

### Go new!

Starting January 1, 2024, be sure to share your new card with your doctors and pharmacy, so they can file your 2024 claims.
